“To stay the same is to fall behind, because your best competitors are growing and improving all the time.”

ATHENS HOMECOMING CELEBRATION

Celebrate what you love about Athens at the Homecoming Celebration on August 20-21 in downtown Athens. The Athens State Community Band will kick off the event on Friday night at 6:30 pm. At 8 pm, bust out your groovin' shoes and dance the night away with tunes performed by the Valley Cats at our very own street dance. Saturday's activities include old time games on the courthouse lawn, train rides for the kids, a historic marker dedication, ice cream tasting, and cruising around the square that evening with live entertainment provided by Richie & Deemer.

CRANK OFF!

SOA is hosting an ice cream making contest during Saturday's activities. Think you have the best recipe? Bring your maker and ingredients to prove it. Visit www.spiritofathens.com for registration and rules. The public, while supplies last, will be able to taste and vote on the best homemade ice cream in Limestone County.
